Sinopse

Trapped within a Hell-spawned hourglass lurks the soul of Malik, an ancient, vengeful and powerful genie, condemned to serve whoever turns the glass and frees him...for one single hour only. The one who turns the glass will become Malik's master, and thus become a master of life and death, love and hate, space and time. And woe to any Man who dares to wish for more time, because they will belong to Malik...forever! Small-time Hood Danny Wells is in a lot of trouble. In the aftermath of the biggest heist of his career, he's been betrayed by his gang. The money's gone, he's been mortally wounded and his girlfriend Katry has been killed. But he does have one thing going for him - Danny just accidentally turned over Malik's lamp, releasing the sinister Genie, who's now become Danny's slave - and now Danny's got just one hour to figure out how to get his money back, get his girlfriend back, get his life back - and somehow make all of it last beyond the time when the last grain of sand falls through THE HOURGLASS
