## Ficha Técnica

**Título Original:** Subspecies V: Blood Rise (Original)

**Duração:** nan

**Gêneros:** Terror

**Diretores:** Ted Nicolaou

## Sinopse

An all-new Full Moon Gothic horror film in the vein of MERIDIAN!! When a powerful psychic discovers a cursed spirit in her grandfather's home, she must decide if he is ultimately evil or the love she has always desired. After a bad psychic reading that leads to her client's unfortunate death, New York City's most famous medium, Adrianna Sinclair, packs her tarot cards and leaves for her beloved grandfather's estate in Italy. There, she senses an otherworldly presence that is so strong she cannot ignore it. When she finally speaks with the spirit of Luca Fausto, she finds that his brother, the demon Marco, has cursed him to this place. Luca tells her that she, and the crest that she wears, might be able to finally break the decades-old spell! But watching from the shadows, the demon Marco has other murderous intentions in mind for them! Beyond Life. Beyond Death. There is Another Place..
