Sinopse

A horrifying tale, based on a true story. Take an intimate look inside of a popular bed and breakfast, owned by a deceptively attractive group of Russian women. The meat-cleaving matriarch of the family dies, leaving her bloody legacy to a gorgeous but conniving offspring. Natasha, a dancing, singing, blade-wielding psychopath, leads the way to hell, along with her seductive and macabre daughters, Masha & Sasha. The cast of characters sashaying through this Room and Board is a more colorful cast than a crimson-stained menu. Presidents and celebrities come by for a taste of sin. Old rocking chair bound Grandpa is a constant fixture out on the porch, come rain or shine. The family is completed by Natasha's adopted son, Moses - a shy African American child, who was adopted by the family after he was left on their doorstep. Moses has a best friend, Beau - a gator, who lives in an elongated doghouse outback and serves as a living garbage disposal. Guests are lured to the establishment
