Sinopse

FULL MOON'S BUNKER OF BLOOD opens its rusty doors once more for this fifth and freakiest installment in the series. And when we say freakiest...we mean it. PSYCHO SIDESHOW: DEMON FREAKS takes you deep into a three-ring circus of shock, blasting out a caustic cauldron of clips from such classic Full Moon favorites as LURKING FEAR, DARK ANGEL, SEED PEOPLE, SHRIEKER, THE DEAD HATE THE LIVING and - of course - CASTLE FREAK and frames them with an all new animated narrative. This time, "The Gore Collector" winds his way into a terrifying amusement park from Hell known as the "Karnage Kingdom". And while the crazed carnival coats our characters in bloody horror, our tour guide "Molly" seems to have a method to the madness. What lies beyond this nightmarish wonderland? Tune in to find out. FULL MOON'S BUNKER OF BLOOD is an 8-part feature film "greatest hits" of horror, containing the grisliest, goriest moments from Full

Moon's famous lurid library. Jump back into the bunker if you dare. The Gore Collector awaits.
