## **Sinopse**

If you could travel back to a memory, which would it be? Your first kiss? Your first time? Your first goal? If you did not make any of this - what if you could change this memory? To our protagonist, Alejandro, is hard to relate with women and he blames for it to his first love deception, when he was 12 years old: Magalí. He tried to give her a love letter in his best friend birthday party -Mateo- but Ale's enemy, Rodrigo, stopped him. Now, with the Analogic Encoder Transmutator (A.E.T.), he would travel back to this moment to try to change it. What is this A.E.T.? Well, it's a tape recorder and it works this way: you put the cassette, you play it and you go back to this memory. This travel machine was invented by Tito Brown, a crazy old inventor, who will help Ale to succeed his mission. With him and several training montages, Alejandro will fight for Magali's love. Join us and Alejandro in this adventure, to try to change this memory and his whole life, becoming an action hero, a dancer and also a rock star to try to conquer that girls heart. Would he make it?
